Payment Deadlines and Conditions

Credit Card

Credit card payment (in EUR only) is the preferred method of payment. The following credit cards are accepted as part of the online registration process: VISA and MasterCard®. Please note that your credit card will directly be charged at the moment of check out.

Bank Transfers

Any bank charges by local or intermediate bank must be borne by the remitter. Payment by bank transfer will not be accepted after **15 February 2023**. After 15 February 2023, any outstanding amounts must be paid by credit card. Clearly indicate the name of the participant(s) and EAS 2023 registration number on the remittance slip/reference text when making a bank transfer.

If full payment is not received by the corresponding registration deadlines, the subsequent rate automatically applies. Please note that deadlines are at 23:59 CET on all published dates.

Participants must follow the cancellation process if they decide to withdraw. Unpaid amounts will remain due, even if the participant does not attend the Conference.

Paying the Correct Rates

Participants are expected to pay the correct registration rate that applies to them. If an incorrect registration rate is paid in error, we will require the correct rate to be paid in order to finalise your registration.

Member rates apply to those who are current members of the EACR, AACR or SIC in the relevant category of membership, at the time of registration.

Industry rates apply to participants who work for a for-profit company and are funded to attend the meeting by that company. If they are a current EACR, AACR or SIC member, the member rate will apply instead of the Industry rate.
